SAMPLE DOCUMENT

Helpdesk Ticket Tag System

Sample tag structure for clean reports

Pre-sales

product-question - Customer asks before buying

Pre-sales

shipping-info - Delivery time or cost

After-sales

setup-help - Customer cannot install or pair

After-sales

troubleshooting - Product not working as expected

After-sales

warranty-claim - Broken item, proof needed

After-sales

refund-return - Customer wants money back

Other

complaint - Customer is unhappy, follow up

Other

spam - No reply needed

TIP: Rule: one main tag per ticket. Tags are never renamed by agents, so reports stay accurate.
